

# **44<sup>th</sup> Australian Tasar Championship NOTICE TO COMPETITORS**

Competitors are advised that due to the overwhelmingly positive entry numbers for the event and pursuant to NOR clause 5.6, the Organising Authority in consultation with the Race Committee have determined that in order to provide the highest quality of racing possible for all competitors it will be necessary to split the fleet into two divisions consisting of approximately 40 boats.

The over riding consideration was to minimise congestion at the top mark and to provide as fair a start line as possible with the resources available.

To facilitate sailing in divisions, the regatta will consist of:

Qualifying Series - 6 races maximum with a maximum of 1 discard

Finals Series - 4 races maximum with a maximum of 1 discard

During the qualifying series the divisions will be reallocated each evening based on the results as they stand at the time. Full details of the qualifying and finals series will be provided in the Sailing Instructions.
